AT CHURCH

Events and classes to help improve intentionality

Milestone 1 - Parent/Baby Dedication

A workshop and ceremony for parents who have children between birth and 1 year of age. Parents learn how to become primary faith trainers for their children and accept the responsibility. Resources are provided for parents desiring to dedicate their child to the Lord.

Parent Workshop: Sunday, February 13 and Sunday, February 20 at 11:30a in Room B126

Campus Event: Sunday, March 6 in The House of Worship

Milestone 2 - Salvation and Baptism

In Milestone 2, we partner with and equip parents to lead their kids toward a personal relationship with Jesus Christ. Parents attend a one hour workshop that teaches biblical truth about salvation and baptism. Parents are equipped and given resources to lead family devotions in their home. A 'One Way' class is also offered for kids in K - 5th grade who have asked Jesus into their heart.

Parent Workshop: Sunday, January 9 and March 13 at 11:30a in Room B126

One Way Class (Parents attend with child): Sunday, January 16, February 20, and March 20 at 11:30a in Room A234

Campus Event: Baptisms are done the last Sunday of every month

Milestone 3 - Preparing for Adolescence

This workshop teaches parents the basics about talking with your kids concerning relevant issues such as physical changes, identity in Christ, and relationships. We also offer a 'Preparing for Adolescence Retreat' where we take a weekend to pour into your kids (ages 10 - 12) to help them prepare for their teen years.

Parent Workshop: Sunday, January 23 at 11:30a in Room B126

Campus Retreat: February 18 - 19 at CCBC

Milestone 4 - Purity for Life

The Student Ministry partners with parents by teaching students the importance of accountability, healthy friendships, and biblical standards for purity. However, it is much more important for students to learn these principles from their parents. We coach parents to focus on these issues in family devotions and intentional conversations throughout the 6th - 8th grades. A Purity for Life weekend is held on the Cottonwood Creek campus during the 8th grade year.

Parent Workshop: Sunday, February 27 at 11:30a in Room B126

Milestone 5 - Rite of Passage

Age 16 is a significant time of freedom in our culture. In our workshop we will equip parents to disciple their freshmen and sophomore students for adulthood. Issues such as spiritual gifts, the roles of men and women, spiritual disciplines, service in the church, dealing with failure, and other Biblical issues will be explored.

Parent Seminar: Sunday, January 9, January 16, January 23, and January 30 at 11:30a in Room A238

Milestone 6 - High School Graduation

Our workshop teaches parents how to prepare their students for the world outside of the nest. Issues such as basic apologetics, courtship and marriage, determining the will of God, life skills for living away from home and other biblical issues will be explored.

Parent Seminar: Sunday, February 6 and March 6 at 11:30a in Room B126

Milestone 7 - Authentic Faith in Christ

Authentic Faith in Christ is a journey of following Jesus. Real life begins and grows in relationship with Jesus Christ. From that relationship, a Christ-follower grows in each Core Competency throughout the journey. It is a path filled with both high and low places and ends in eternity with Jesus. Day by day, Authentic Faith in Christ is learning to remain in Him.

Our **Adult Bible Fellowship (ABF)** classes are beginning a study through the 7 Core Competencies, so come join us!

Our ABFs meet at 8:00a, 9:00a, 10:15a, and 11:30a every Sunday. If you are not currently involved in an ABF, please pick up a copy of our "Class Finder" brochure at any Welcome Center for class location, times and demographic information.
